Greetings,

As the founder of Christian Families Against Destructive Decisions (CFADD), I am thrilled to share with you our mission of promoting strong families and generational heritage through a biblical worldview and God First lifestyle. Our organization was born out of a divine revelation from the Lord, and we have set out to influence and impact 50,000 families across America.

To further our cause, we are hosting the 3rd Annual National CFADD Family Conference “Family; Mission Critical”, August 24th thru August 26th, 2023. This empowering conference will bring together families from all over the nation to CFADD Headquarters in Spartanburg, SC, and promises to be a life-changing experience for all involved.

At CFADD, we believe in the power of God to restore relationships and bless families for generations to come. Our members have shared many testimonies of strengthened marriages, restored relationships, and empowered decision-making, all through the love and guidance of God.

Our organization is made up of a dedicated Board of Directors, Chapter Leaders, and affiliated family ministries in several states and Washington, D.C. We invite you to join us at the 2023 National CFADD Conference, where we will come together in worship and fellowship, while participating in online and in-person workshops.

We welcome your support for the conference, and each package offers opportunities to present your services to support these families and family ministries. Together, we can continue to build and strengthen families across America. Join us on this journey to impact and influence the nation one family at a time.

OUR VISION

Christian Families Against Destructive Decisions mission is to influence the building and sustaining of strong families and strong generational heritages by promoting a biblical worldview and a God first lifestyle. All of the pain, grief, sorrow and sin in the world is the result of just one wrong decision. Every day we make hundreds of decisions that determine what we say and do. CFADD seeks to educate the public of the benefits and consequences of decisions that affect them and their loved ones, and to provide resources, strategies, and principles that would aid them in making good sound decisions. For no good action can be taken unless it is preceded by a good decision, and each good decision is an investment in a great future.

Christian Families Against Destructive Decisions strives:

- To combat misinformation and ignorance that effects our families negatively.
- To assure all children have dedicated mothers and fathers to protect, nurture and guide their development toward their adulthood.
- To combat all cultural ideologies and/or behavior that disrupts the nuclear family.
- To reduce the result of media violence against the family.
- To promote equality and justice for all babies conceived in the womb.
- To promote abstinence and monogamy after marriage.
- To enhance the desirability of marriage and family life.

Only by restoring the biblical foundations of the home, can the church and society flourish. Our journey together to restore the foundations of the families and repair the breaches has begun. (Isa 58.12) Through CFADD, you may become a part of the revival of biblical family values. Together we will see the heart of the fathers turn to the children and the heart of the children to their fathers and an end to the curse of fatherlessness in the Earth (Malachi 4:6).
